- **July's Meet and Greet**
 - o All had a good time.
 - o It was good exposure for the club in a different area.
 - o There were also a lot of new faces. Good work Club Members!
- **Laurel Ride with Mississippi-Mudd.com**
 - o Everyone had a good time.
 - o It was a great experience, especially for a newbie.
- **CHOCOLOCCO TRIP – Sept 24-26**
 - o The park was featured in Petersen's magazine this month.
 - o Appears to have plenty of trails for stock jeeps and more trails than Mountainside or Morris Mountain.
 - o Information Jay had shows that there is plenty of stores, etc. within two miles of the park. Restaurants, Grocery Stores, Parts Stores, Gas, Etc.
 - o Head count on Jeeps expected to go.
 - o Need two more trailer spots.
 - o Please post on forum if you have a spot or if you need a spot, in order to get a good count on trip expectations.
- **Lease of Property**
 - o Owner did not draw up lease. He asked if we would draw one up on our own as he will be out of town for a few weeks.
 - o Jere was nominated by Summer to research a lease agreement we could use.
 - o Insurance has been estimated to cost \$250 per year for General Liability. An additional \$50 to list the property owner as an Additional Named Insured.
 - o Insurance will only cover us on the property. No one else.
 - o Insurance is probably a good idea anyhow to cover the club on other events.
